I admired
Yuki.

I'd never
thought about
wanting to
be anything
with him.

Although he
was special
to me,

.....Which
is why I'm
still sorta
annoyed with
Uenoyama.

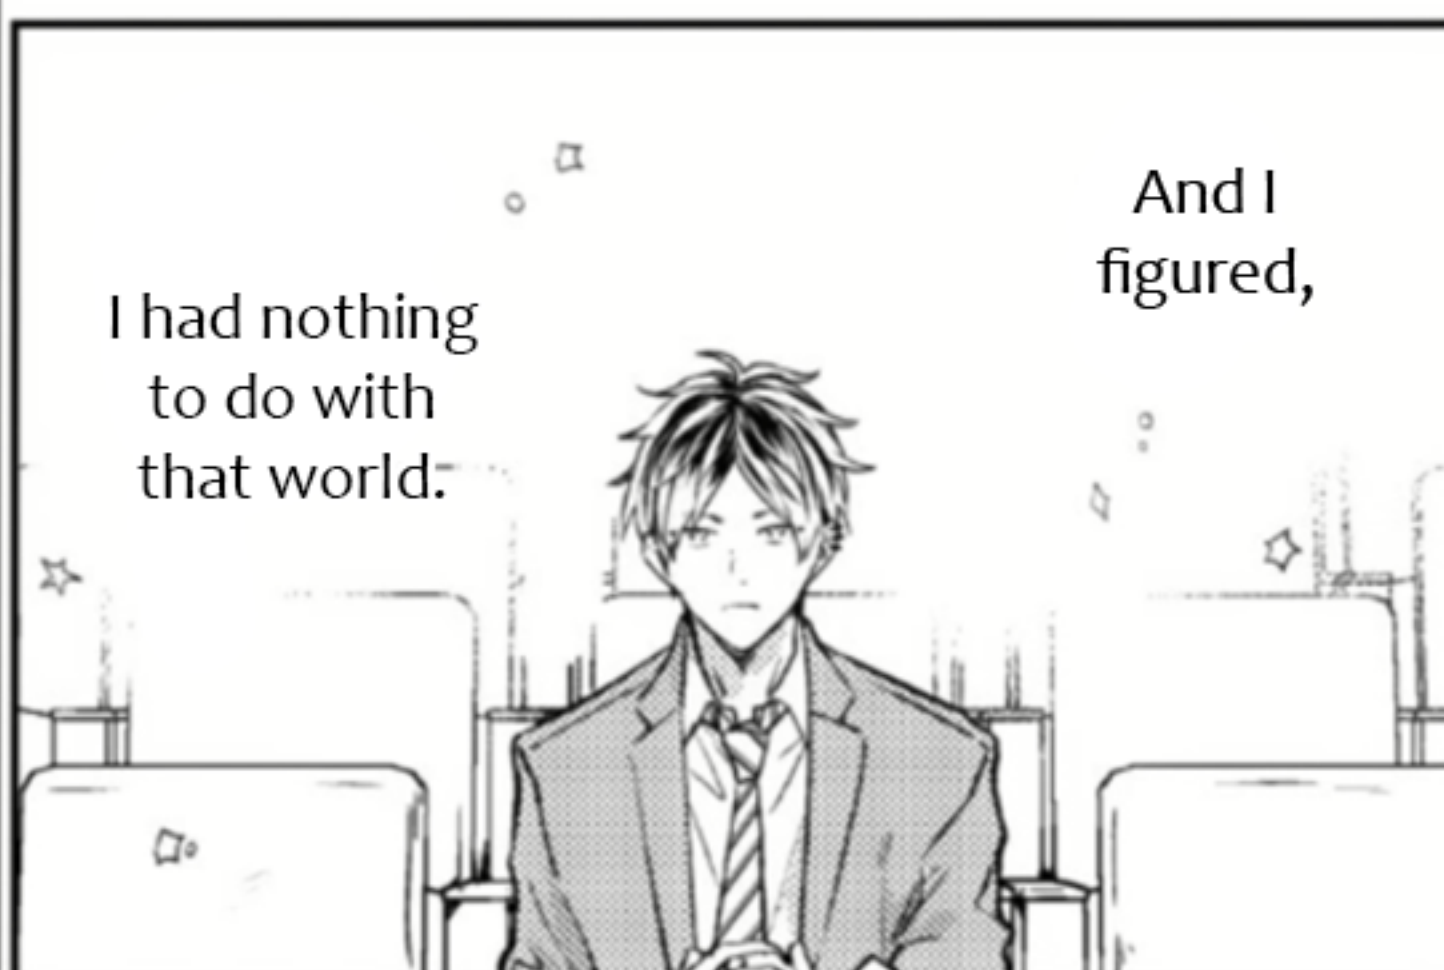

Yuki held
Mafuyu's
hand,

And toge-
ther, their
world was
complete.

After all,

I had nothing
to do with
that world.

And I
figured,

— *Yuki*
was sacred
to me.

They
were,

The *special*
Yuki's
Music...

The
special Yuki's
brilliance,
and,

Right next
to Shizusumi.

I was satisfied
just being a
spectator...

Shizu would
think I was in
love with Yuki.

Mafuyu
and Yuki's
figures—

Remain
burned into
my memory.

That and
that alone is the
perfect image of
first-love to me.

About
the past...

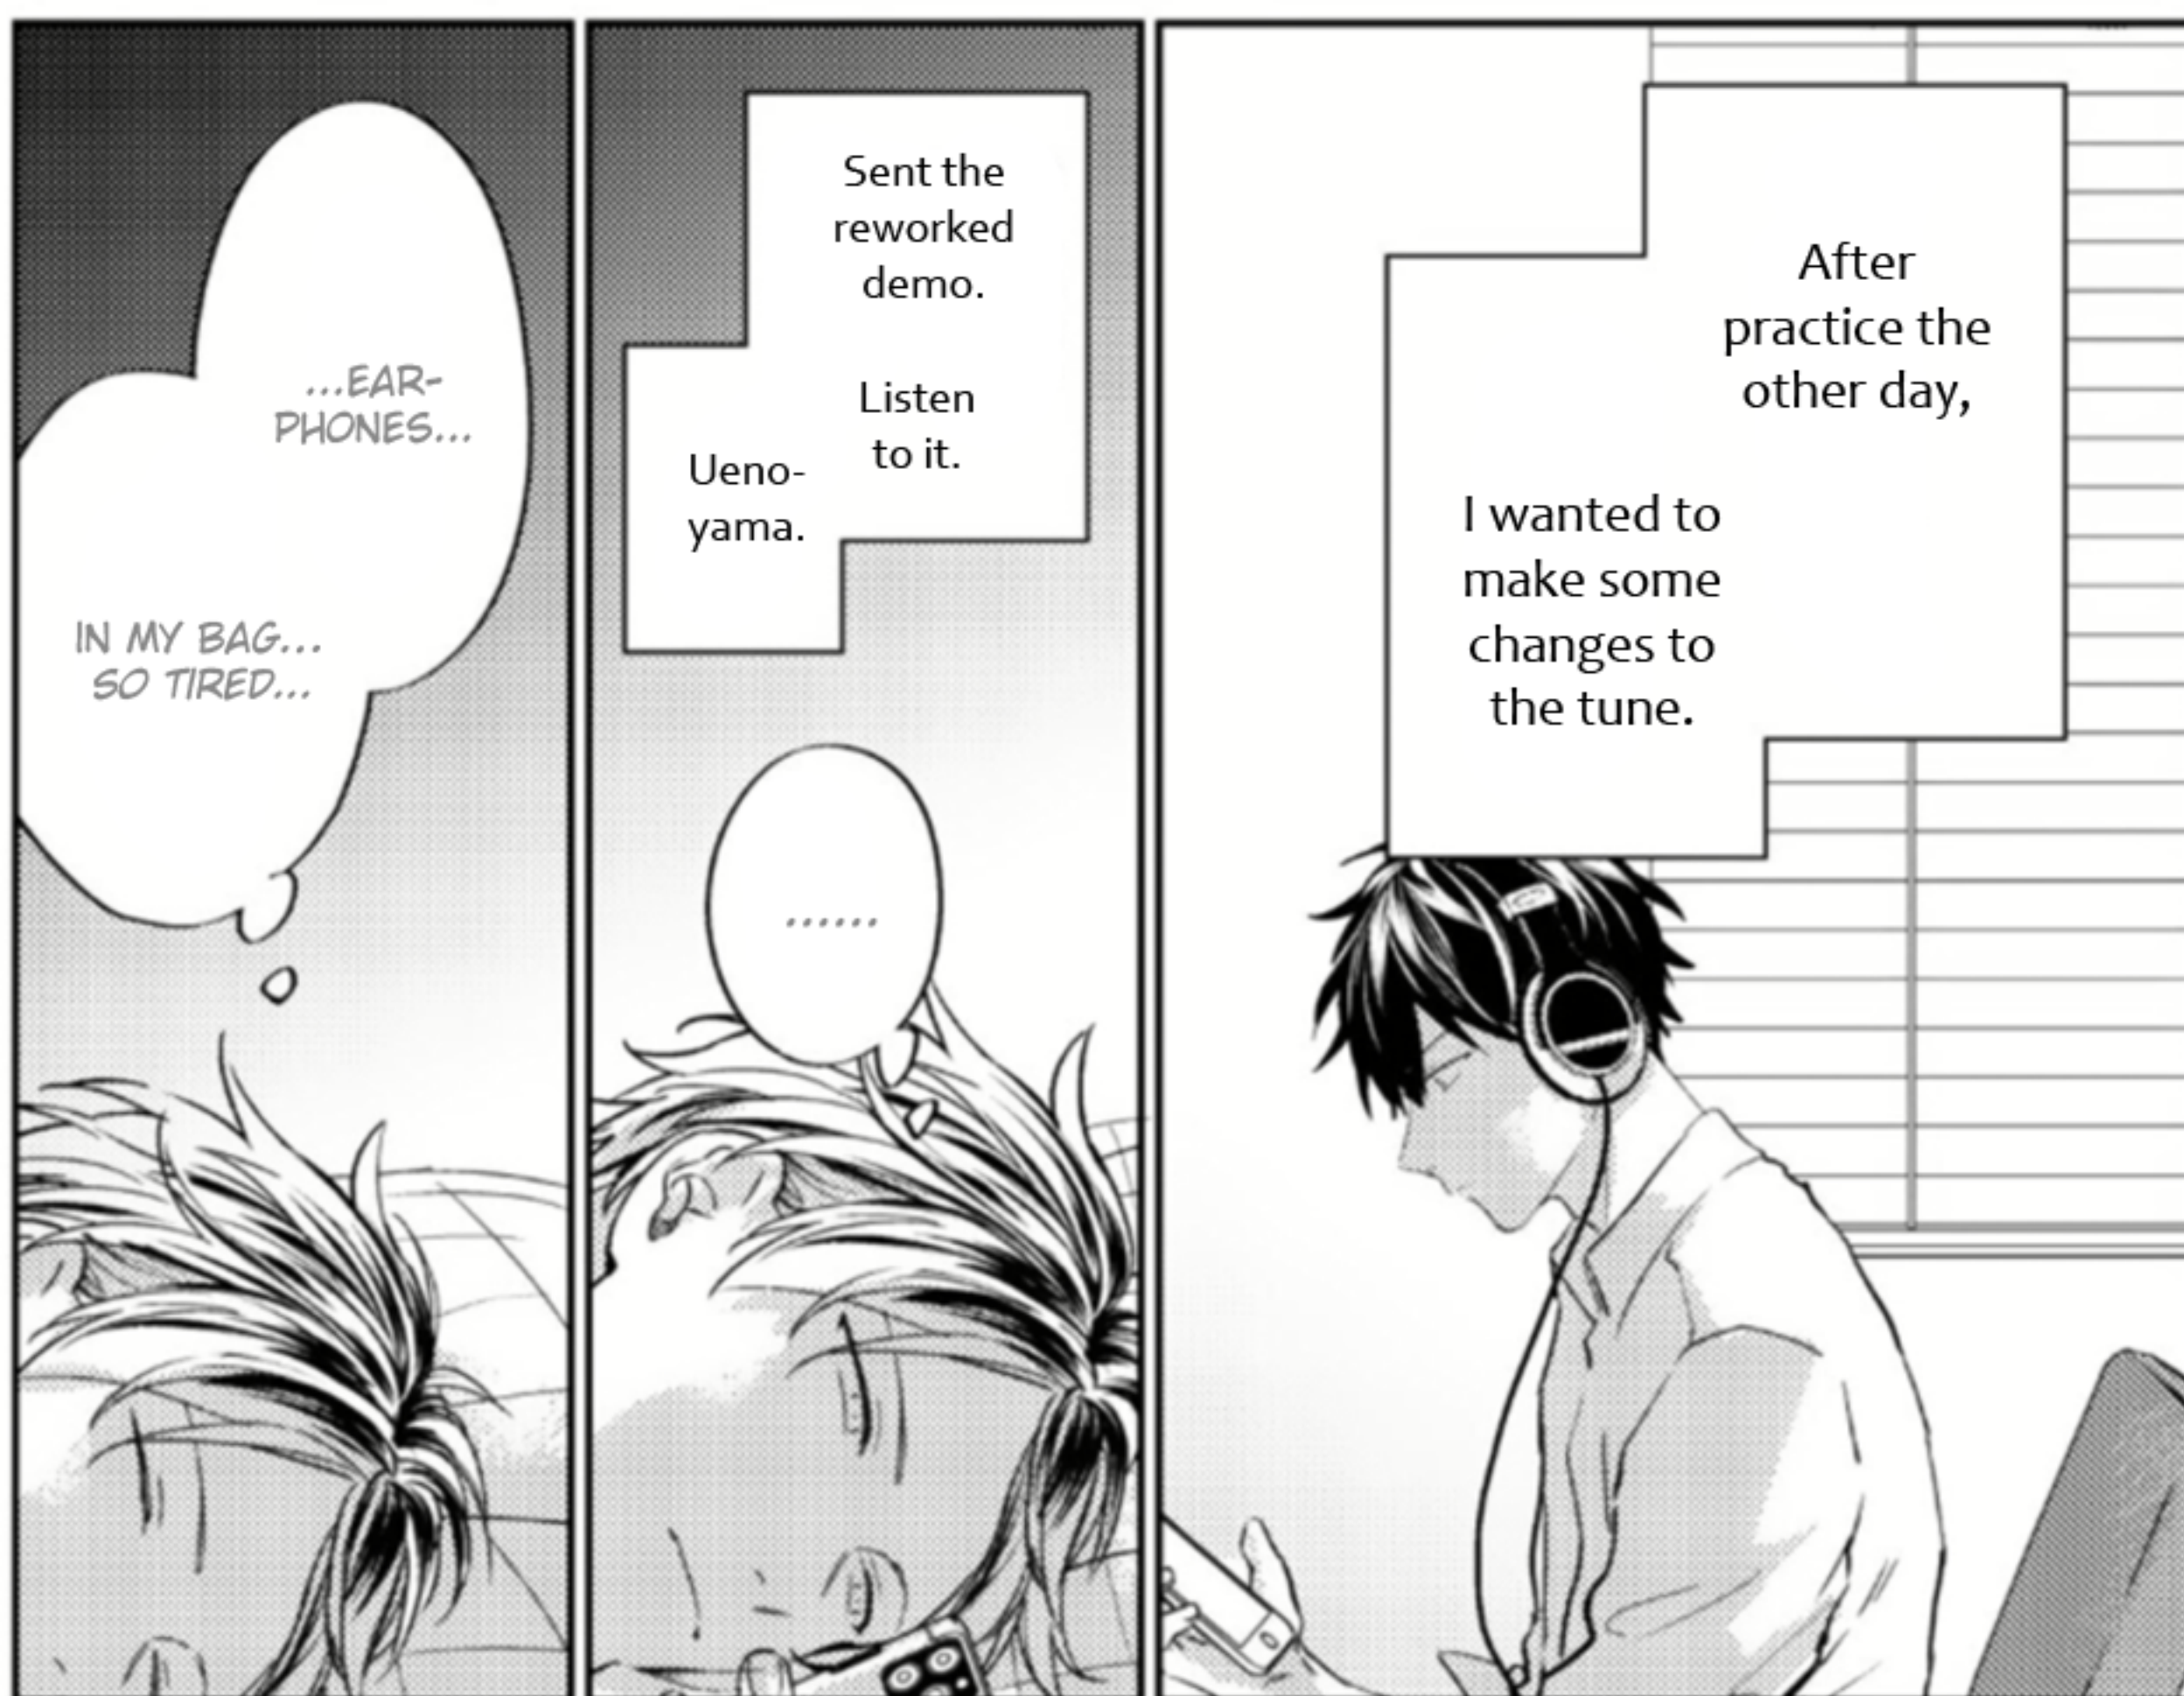

Exhausted
from crying,
I had many
dreams.

They
were all
about
Shizu.

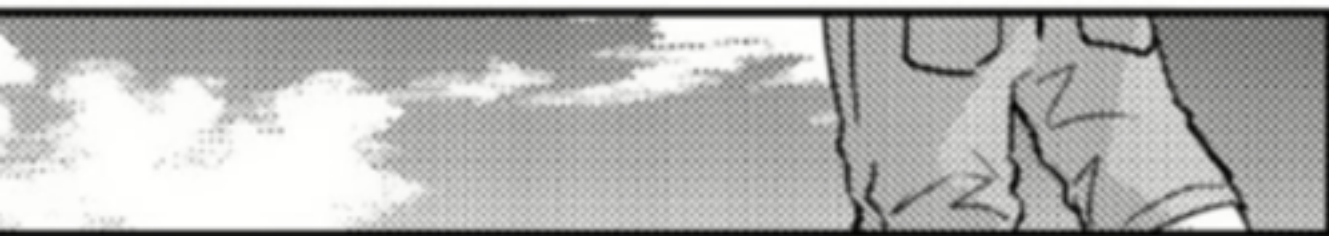

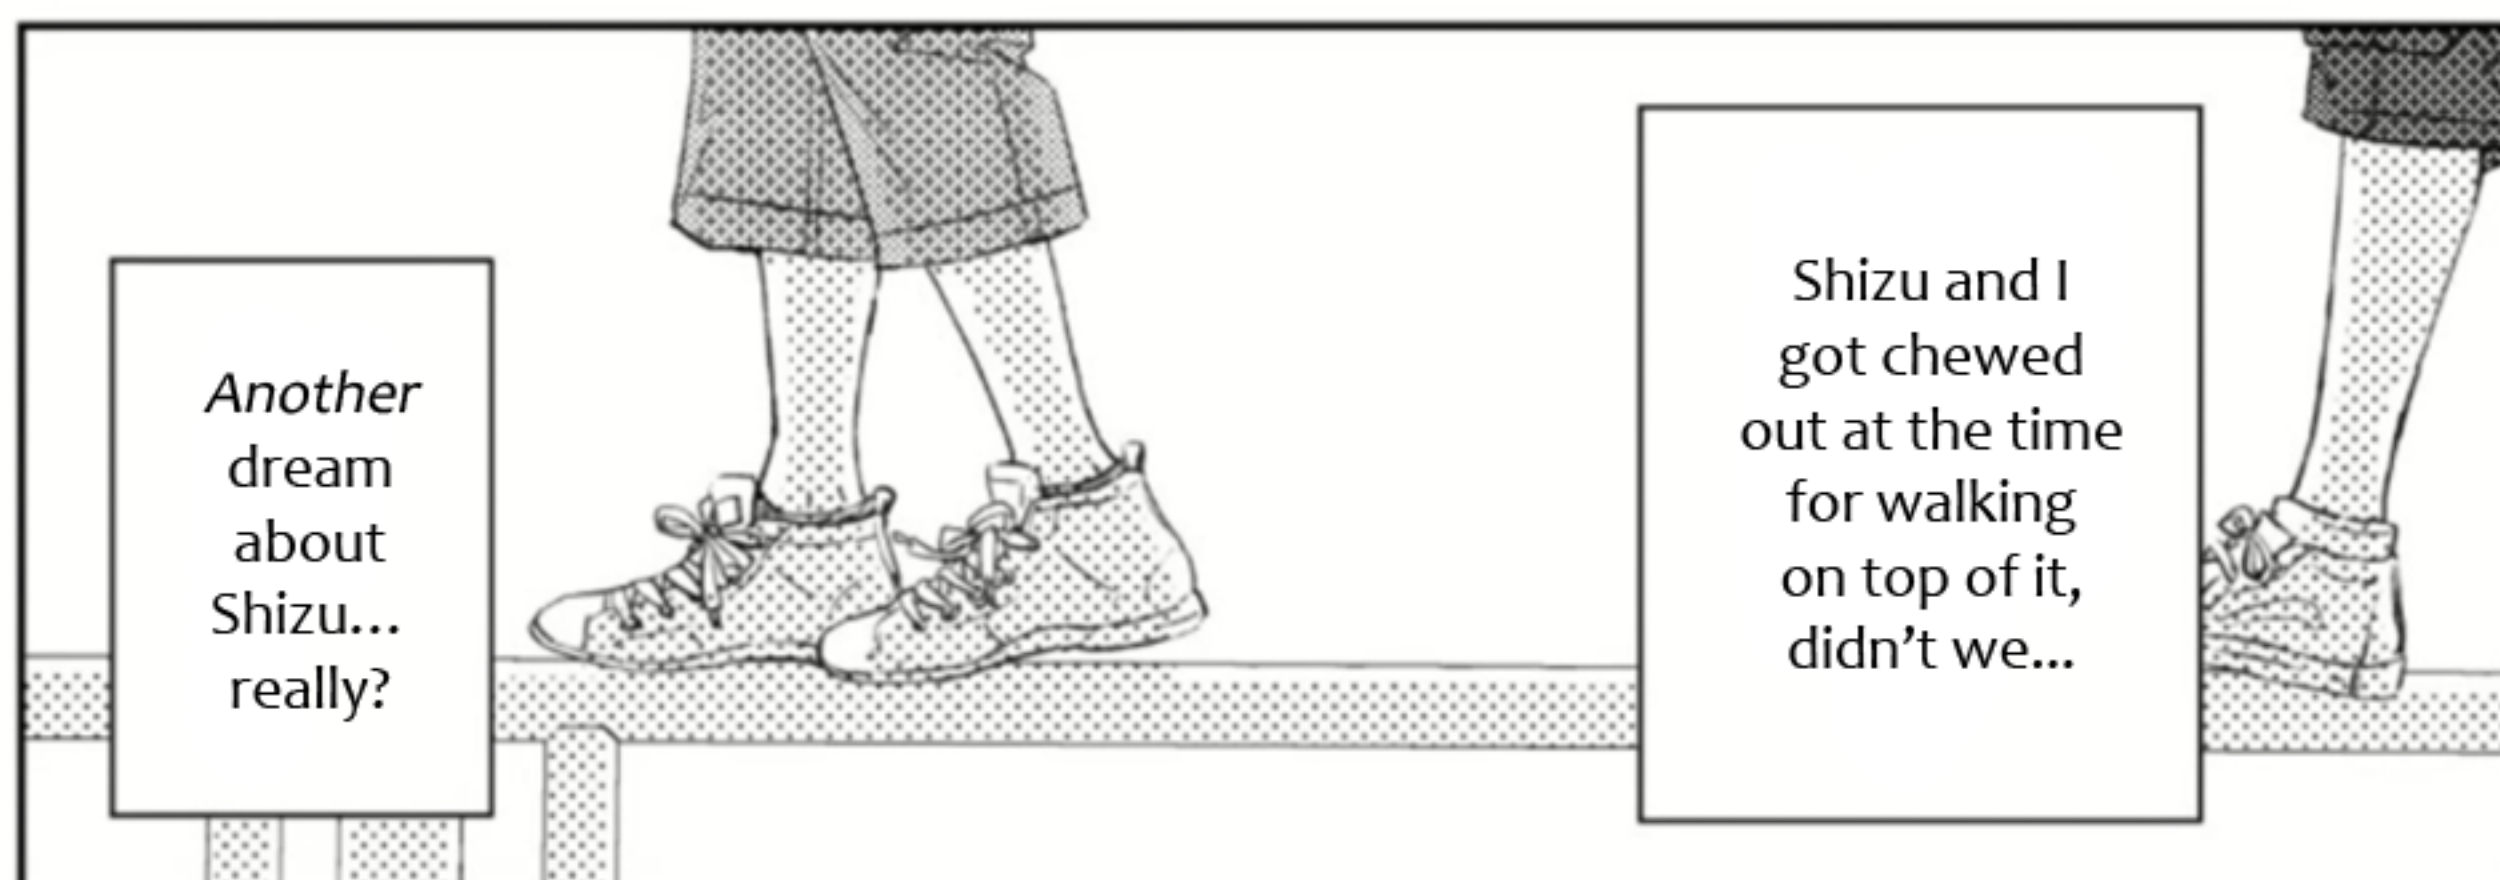

*So what
will you do?*

Just what
should I do...

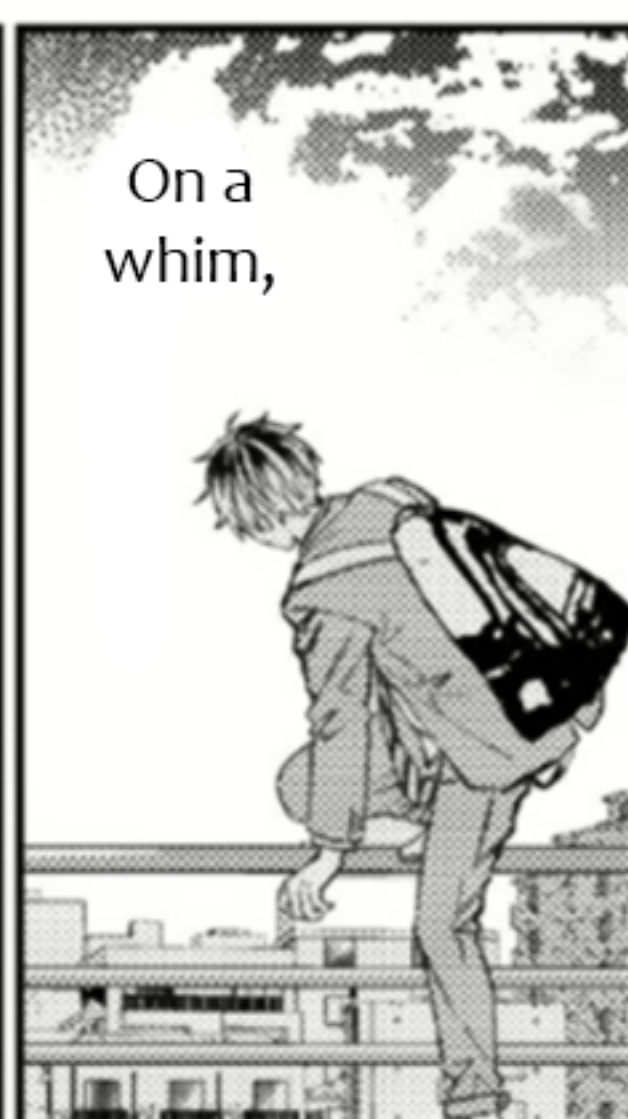

I've only
tried to
walk across
it *twice*.

I wanted to
do something
mischievous
like when
I was a kid.

But,

On a
whim,

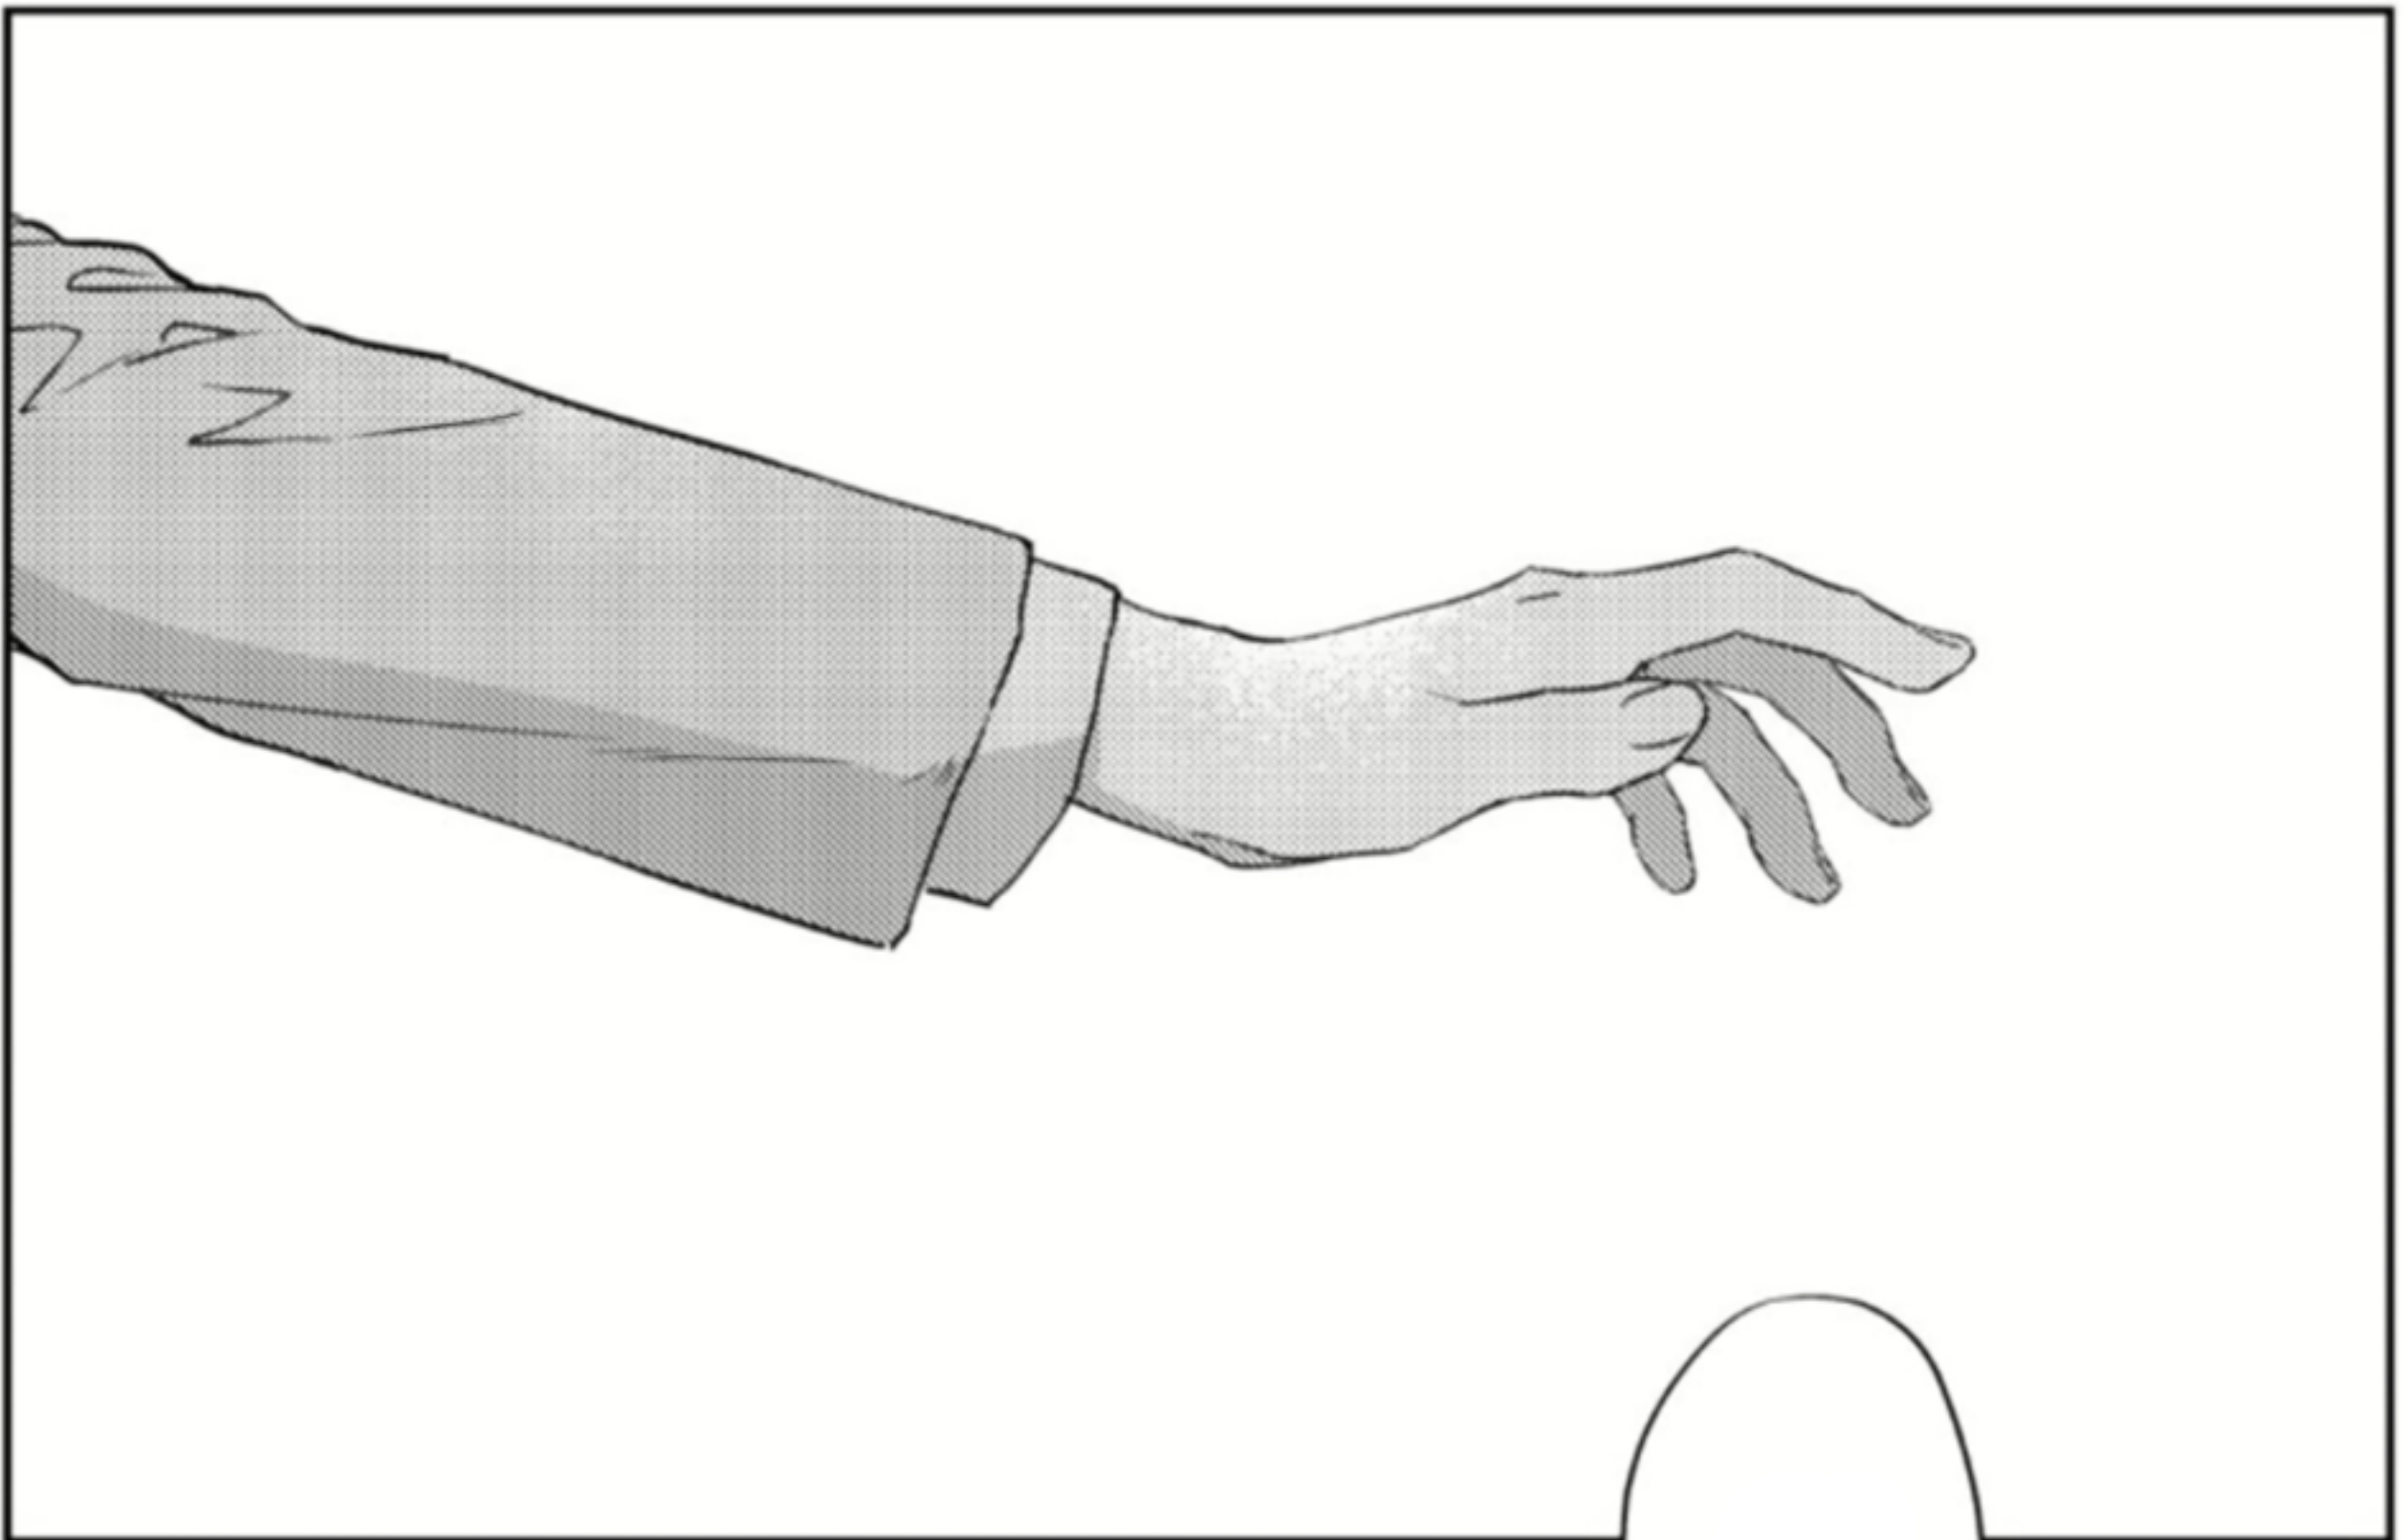

The second
time was during
that winter in
high school.

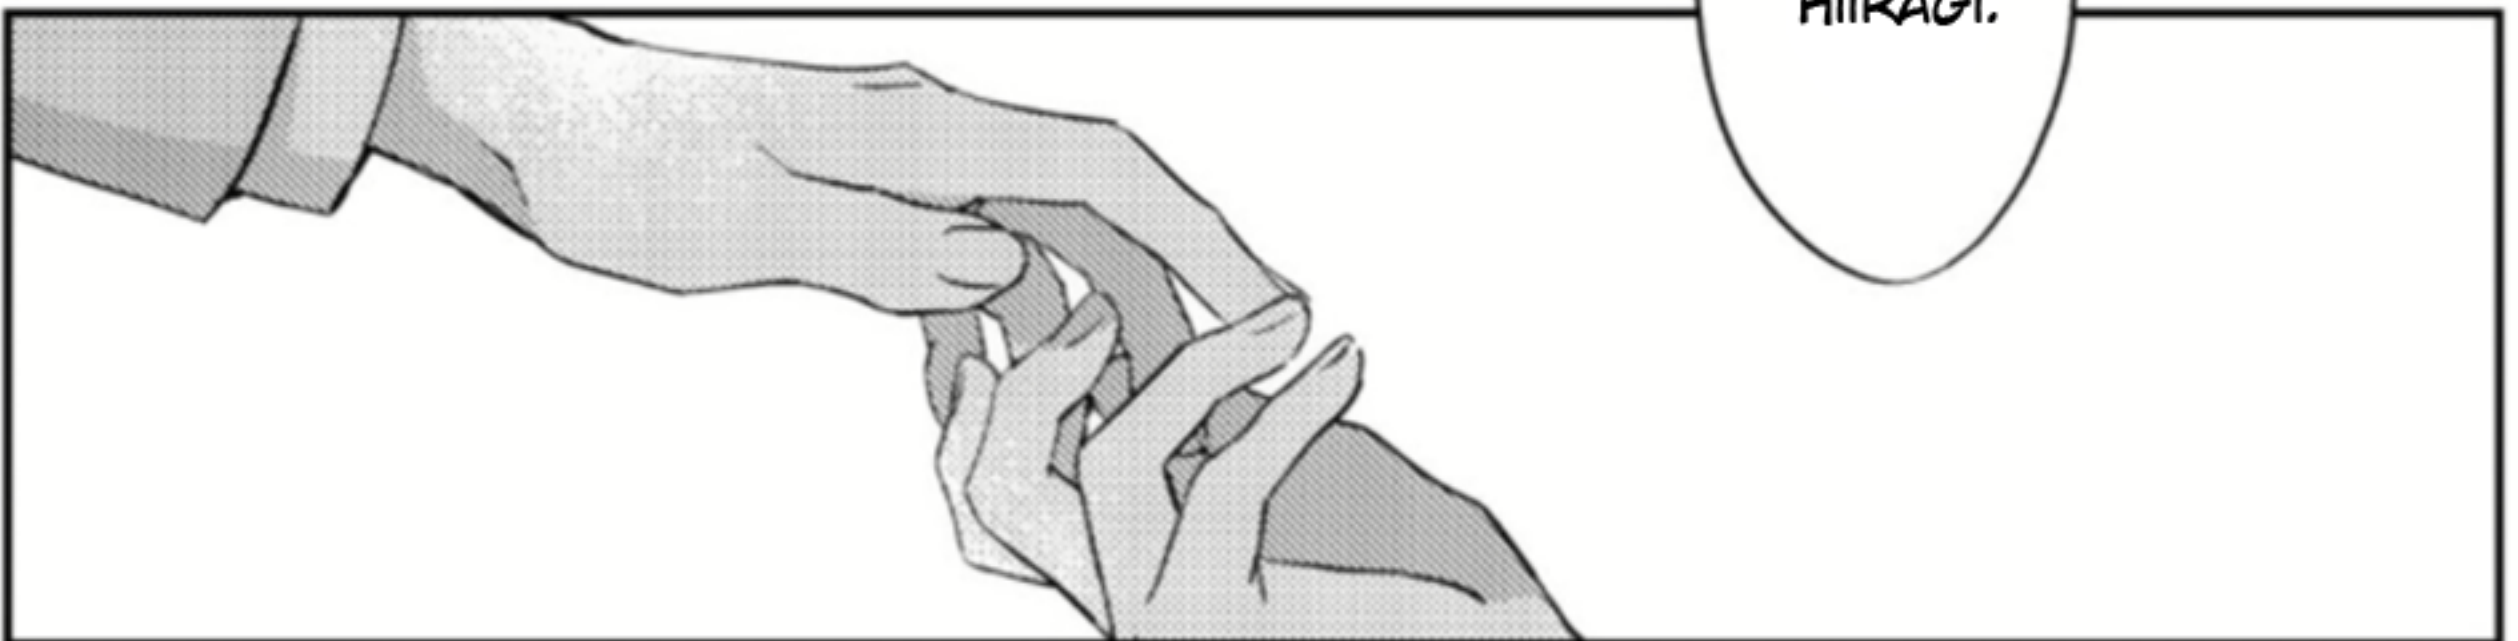

... by the
tremendous
sight of the
blazing sunset.

once I climbed
atop the rails,
I found myself
transfixed...

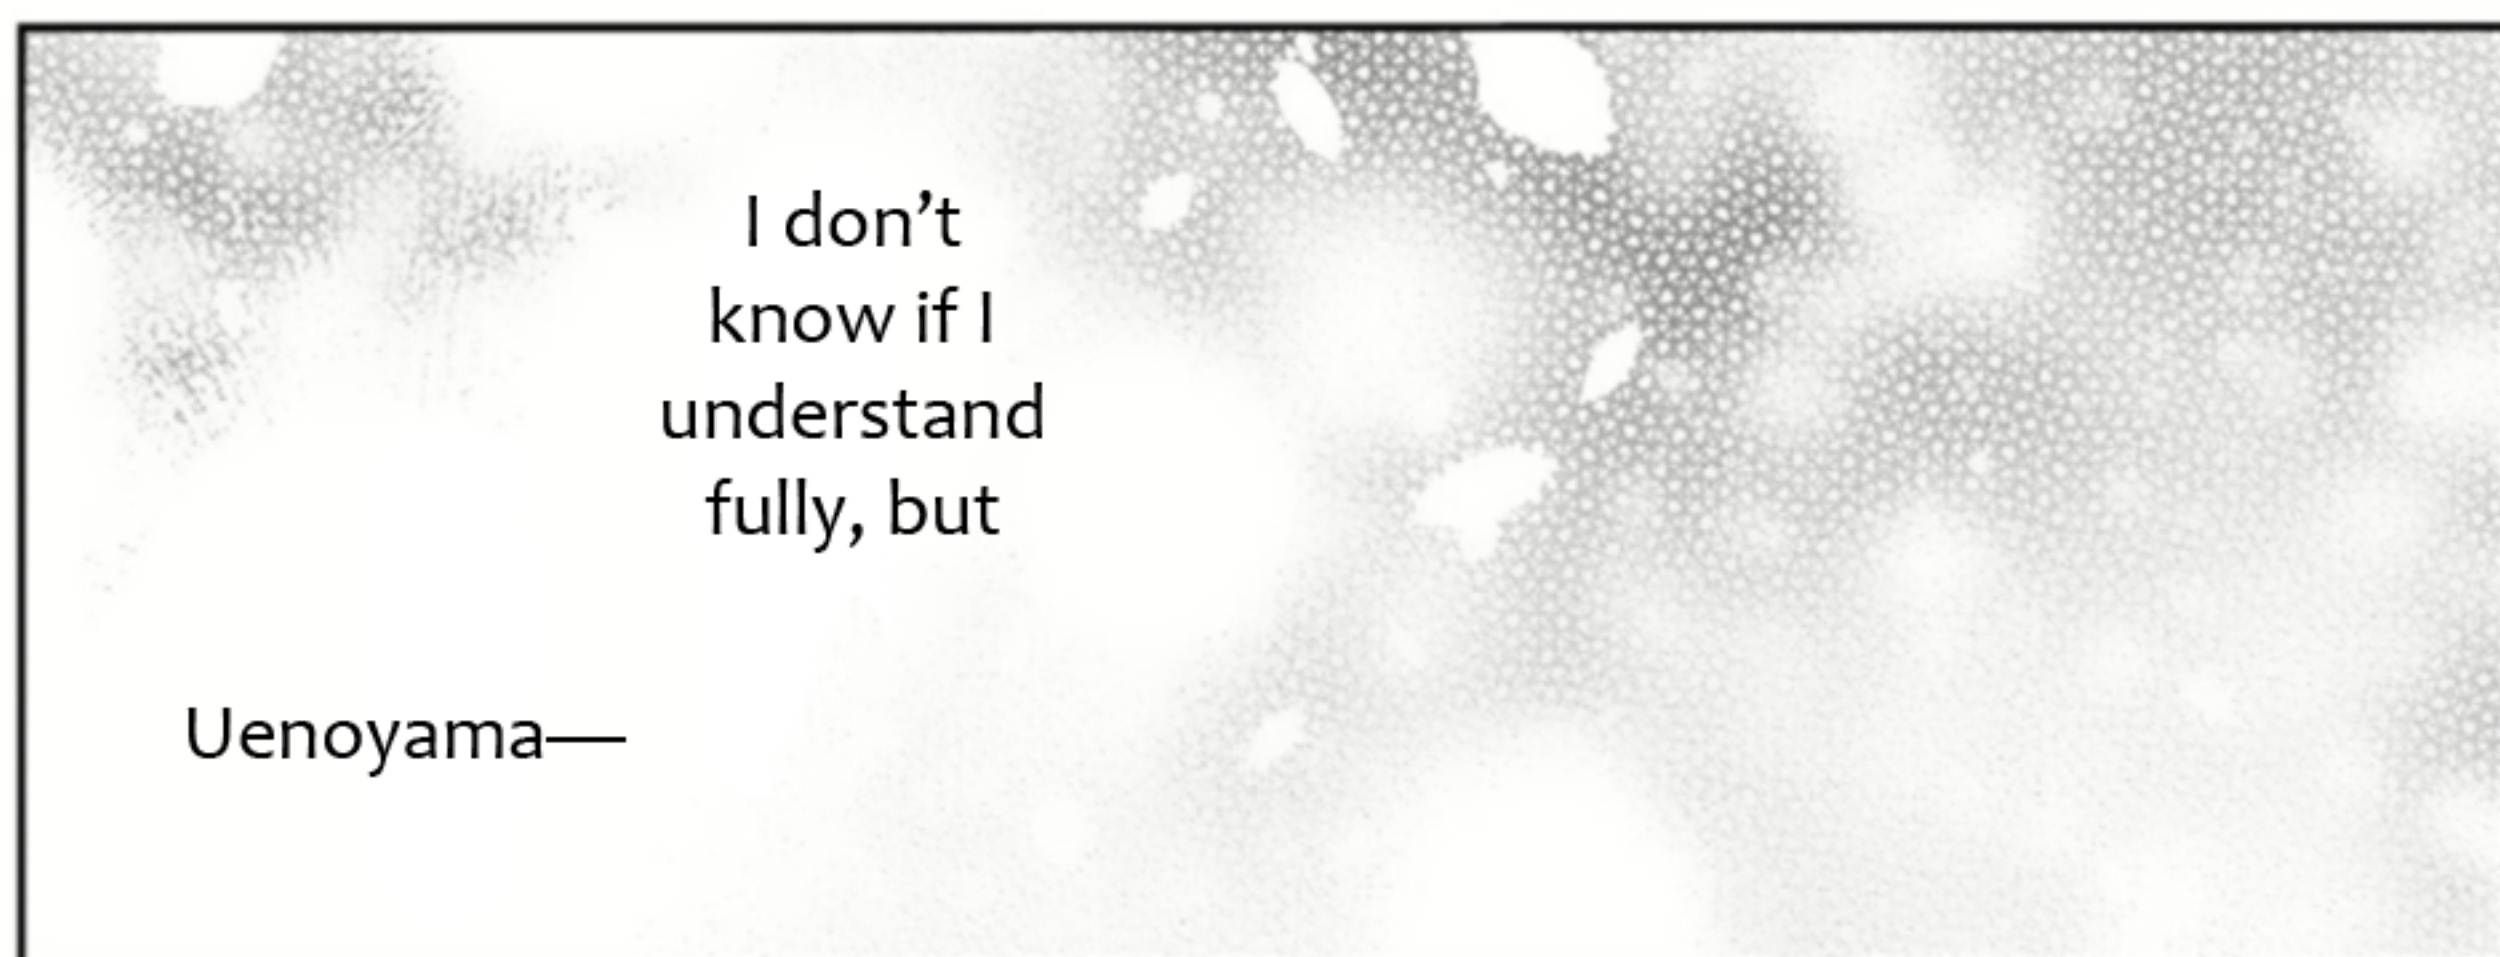

HIIRAGI.

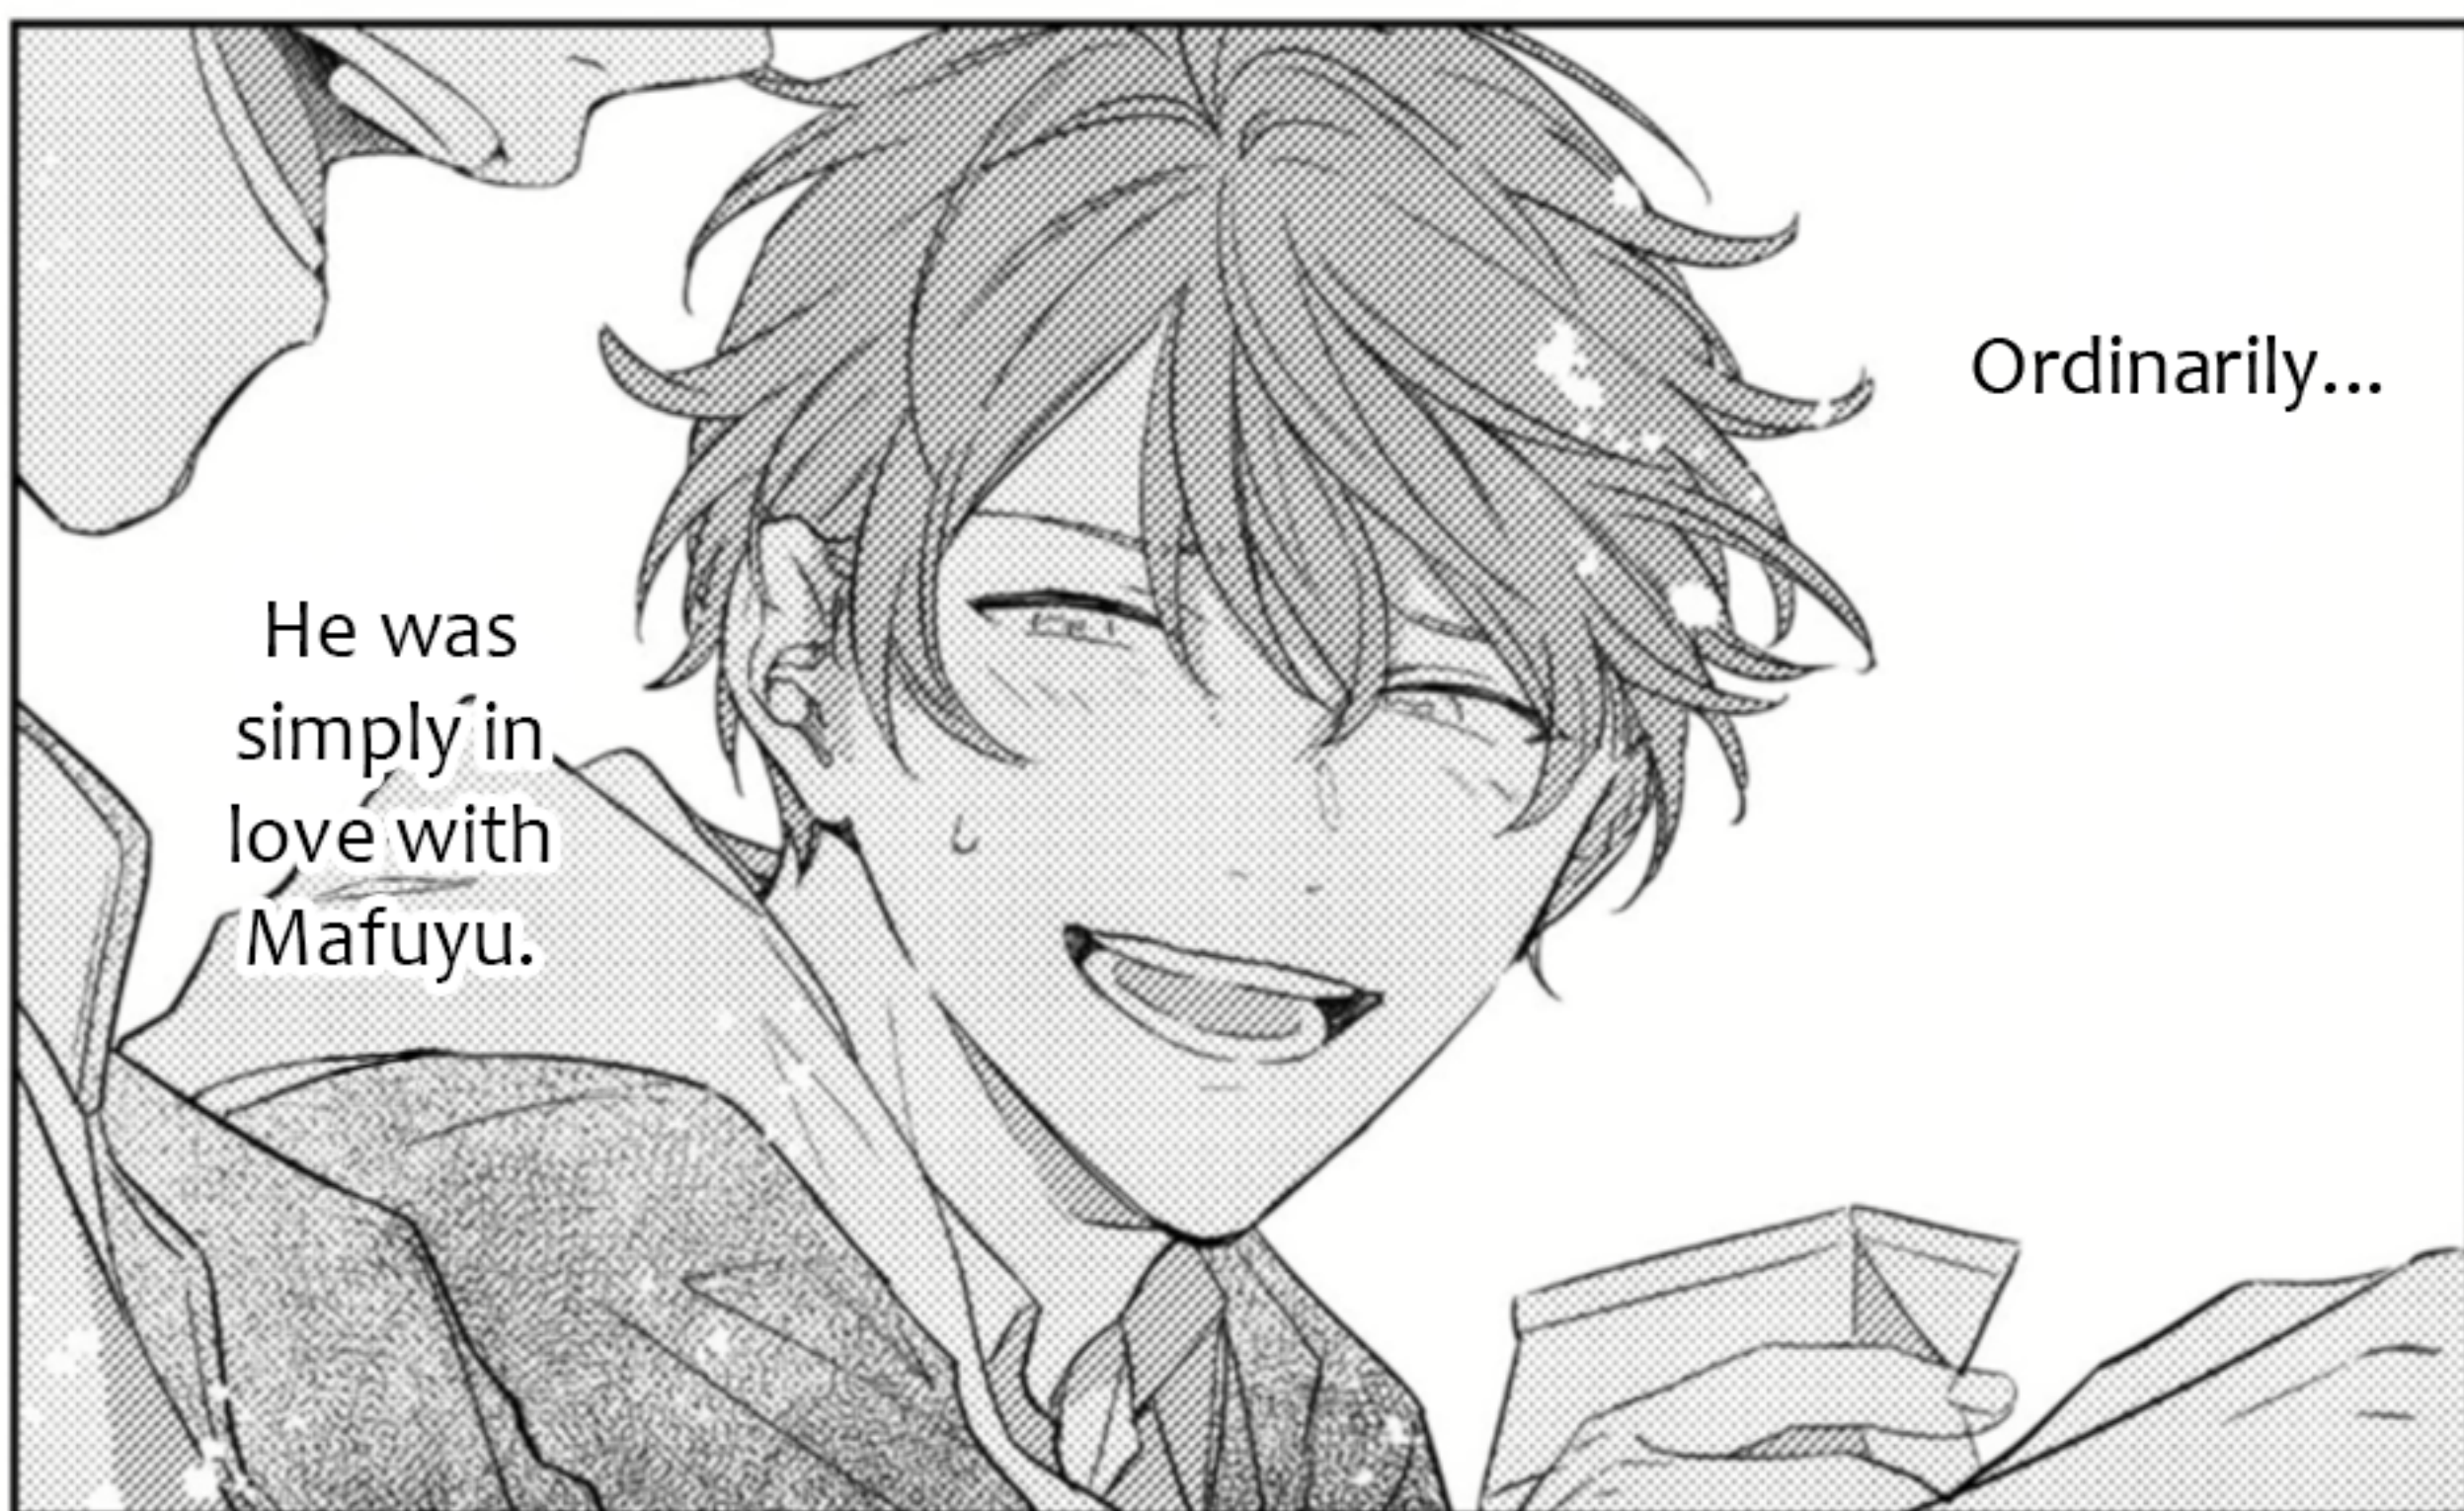

I mean,
Yuki—

The way he
looked at
Mafuyu...

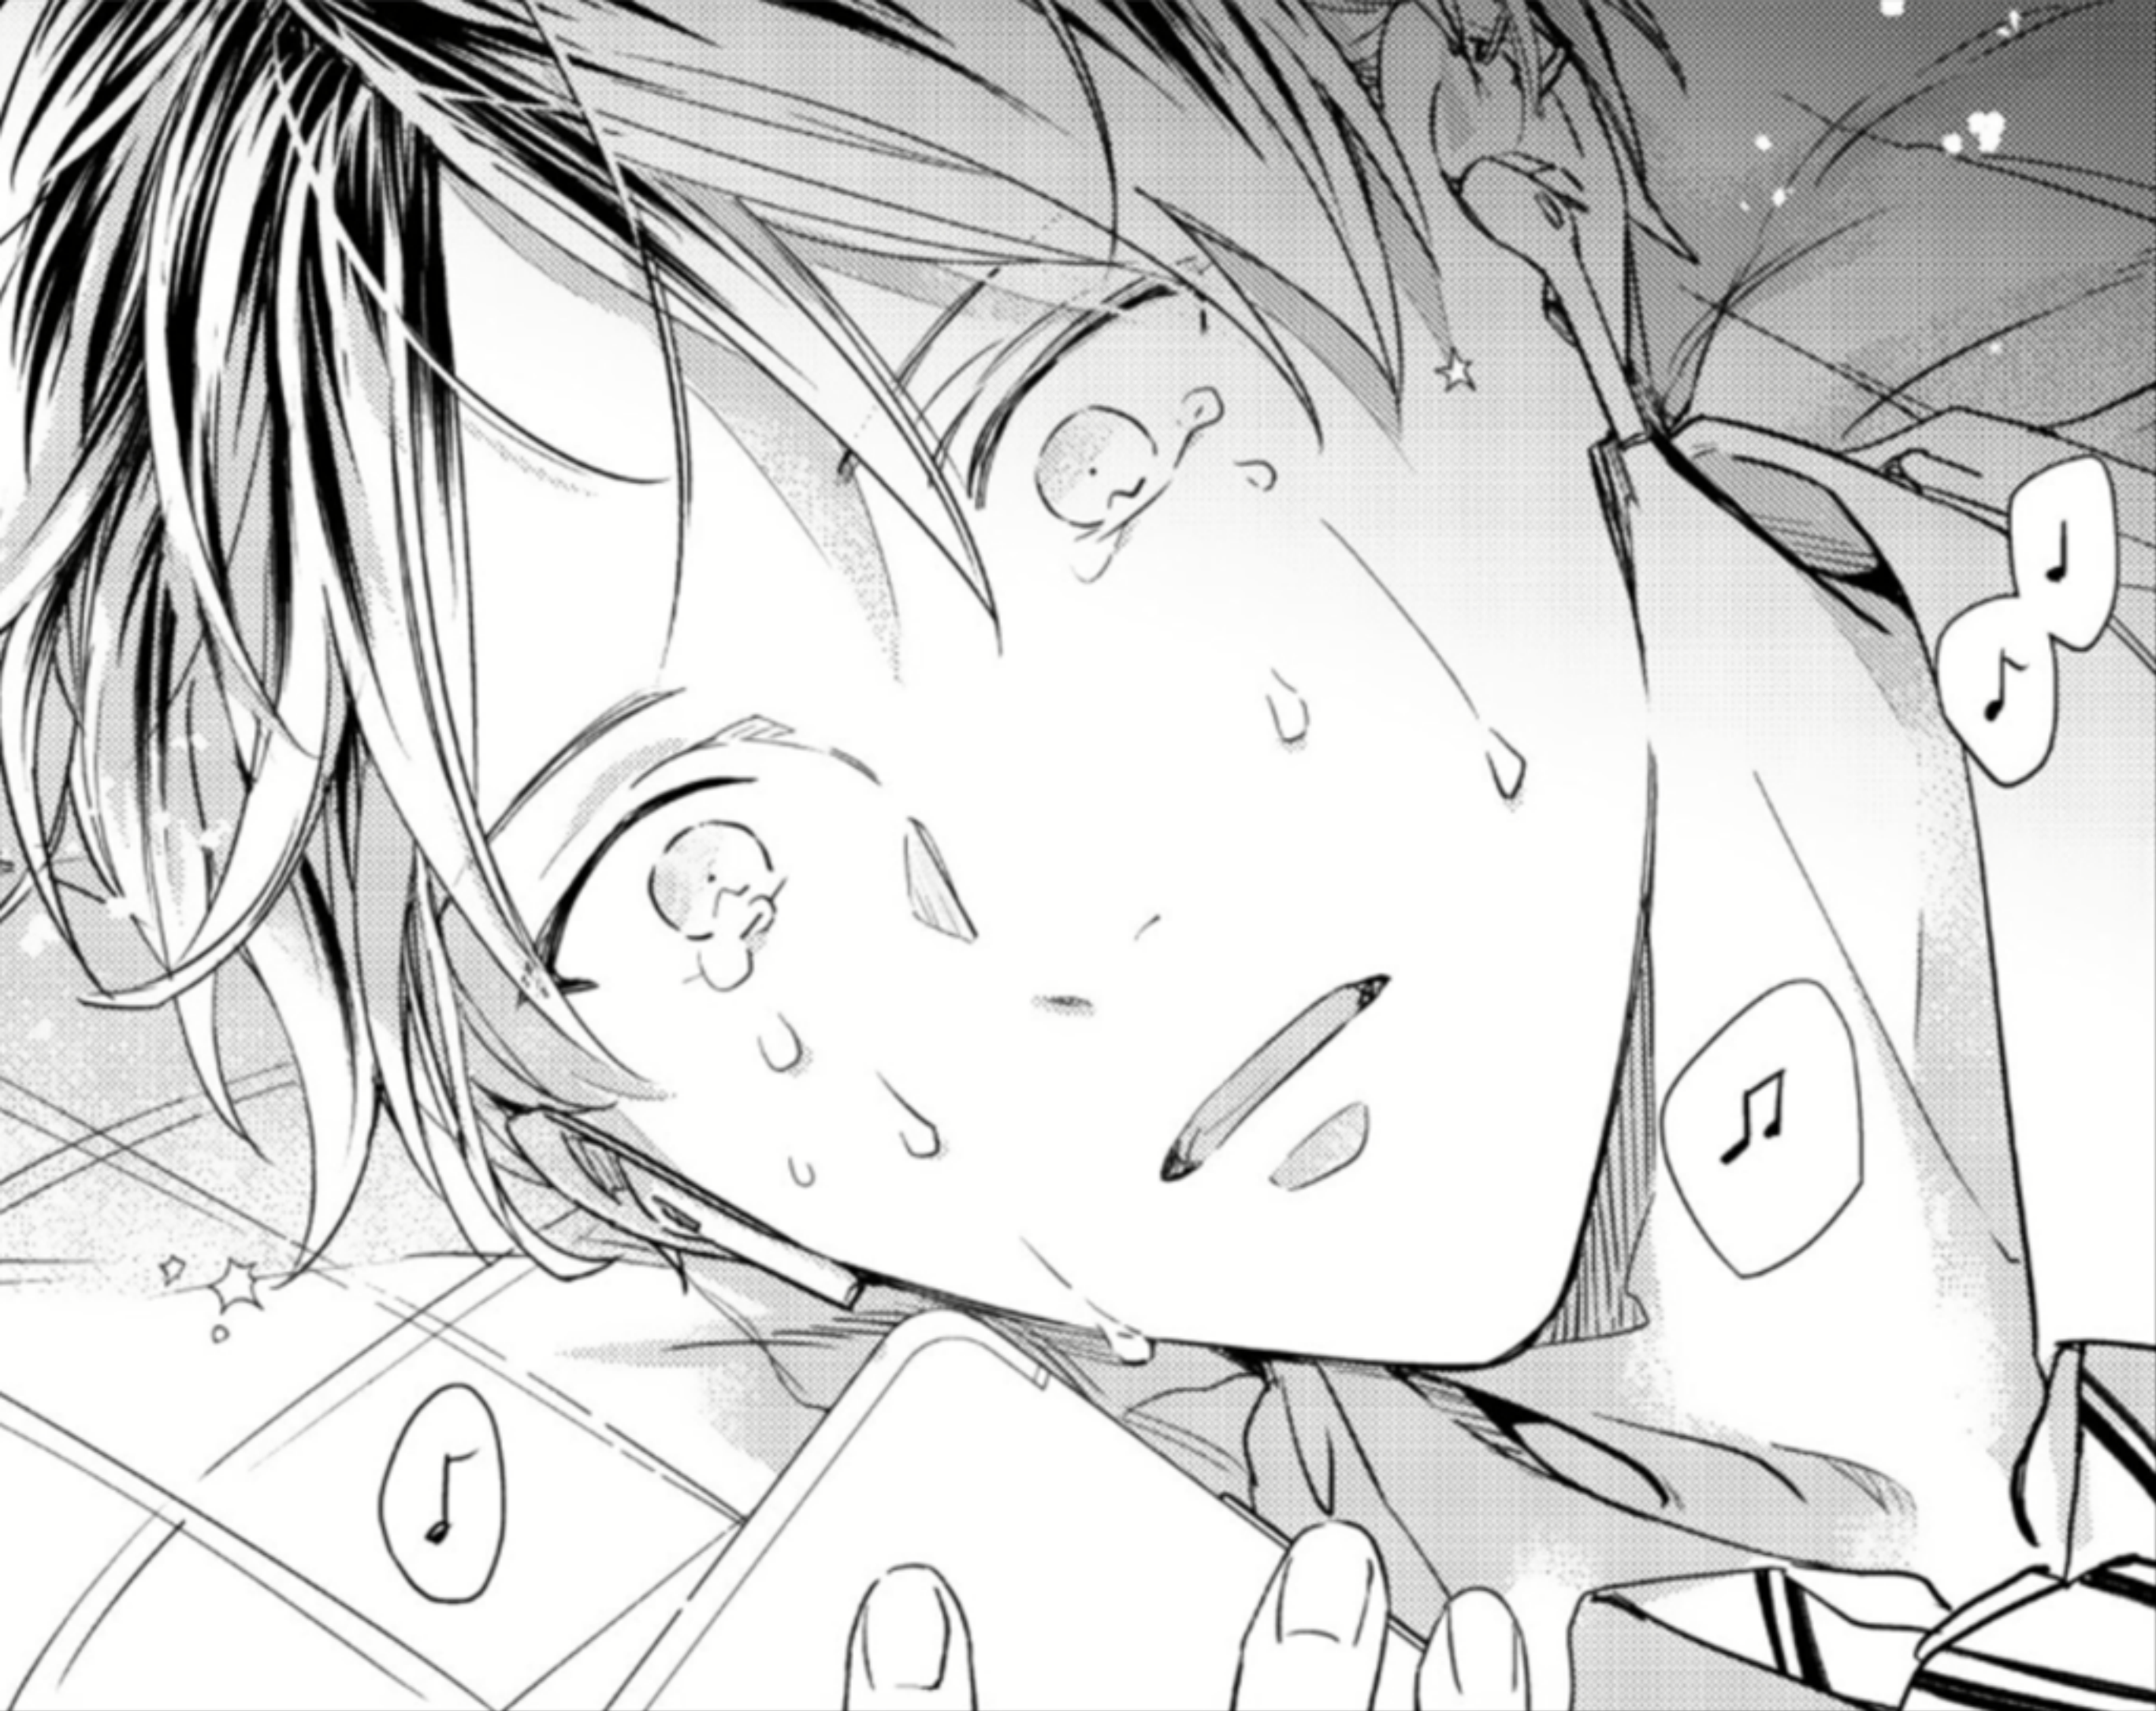

Like me,

Genuinely...

Ordinarily...

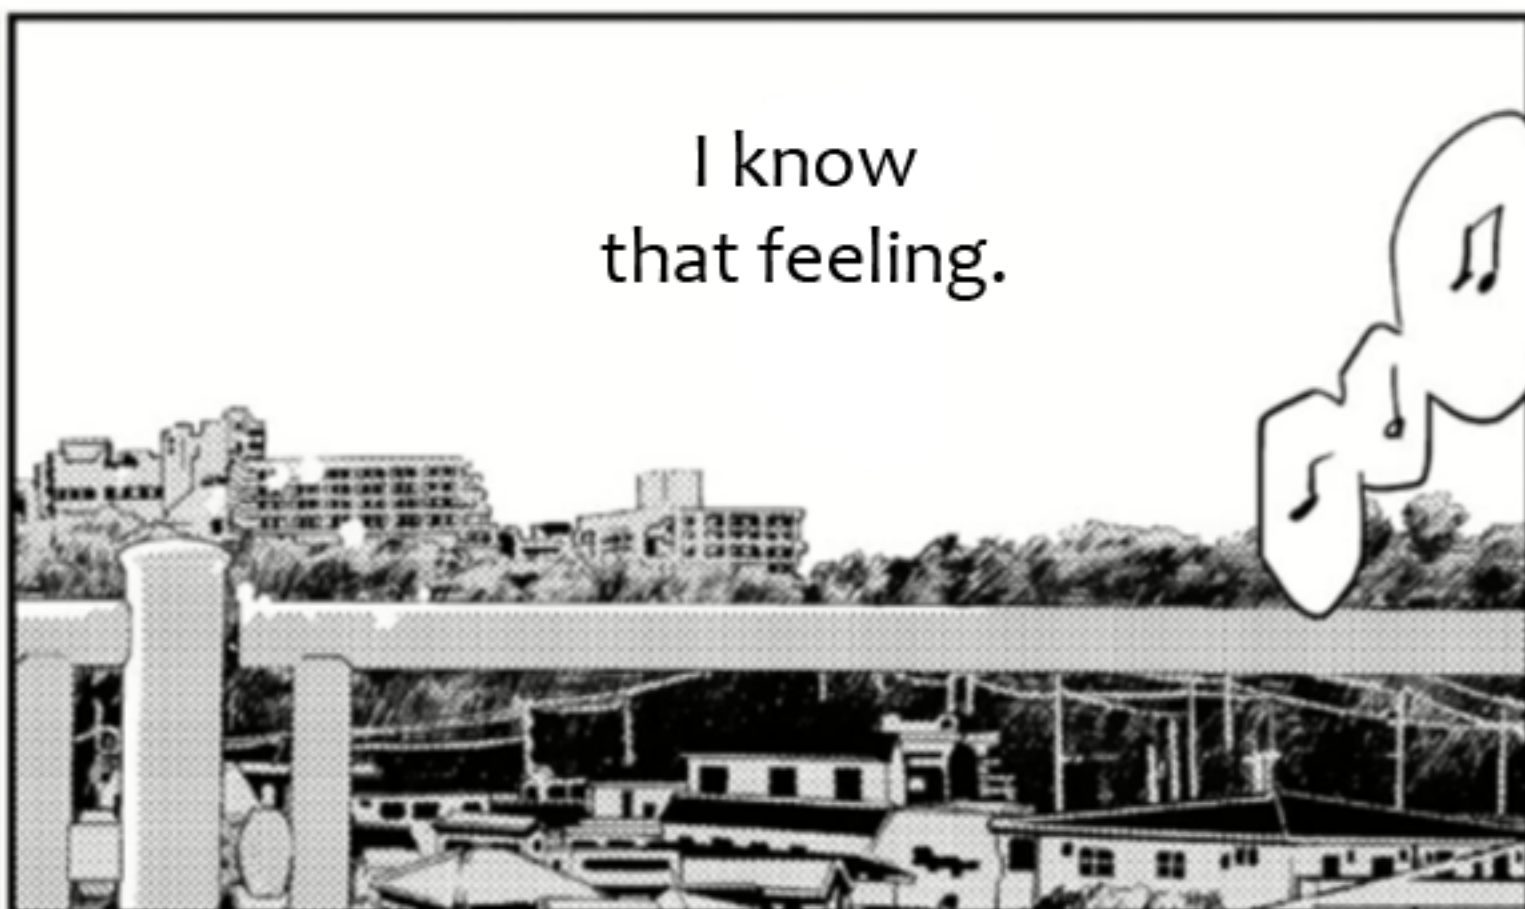

He was
simply in
love with
Mafuyu.

Yuki was
also like
that, huh?

I know
that feeling.

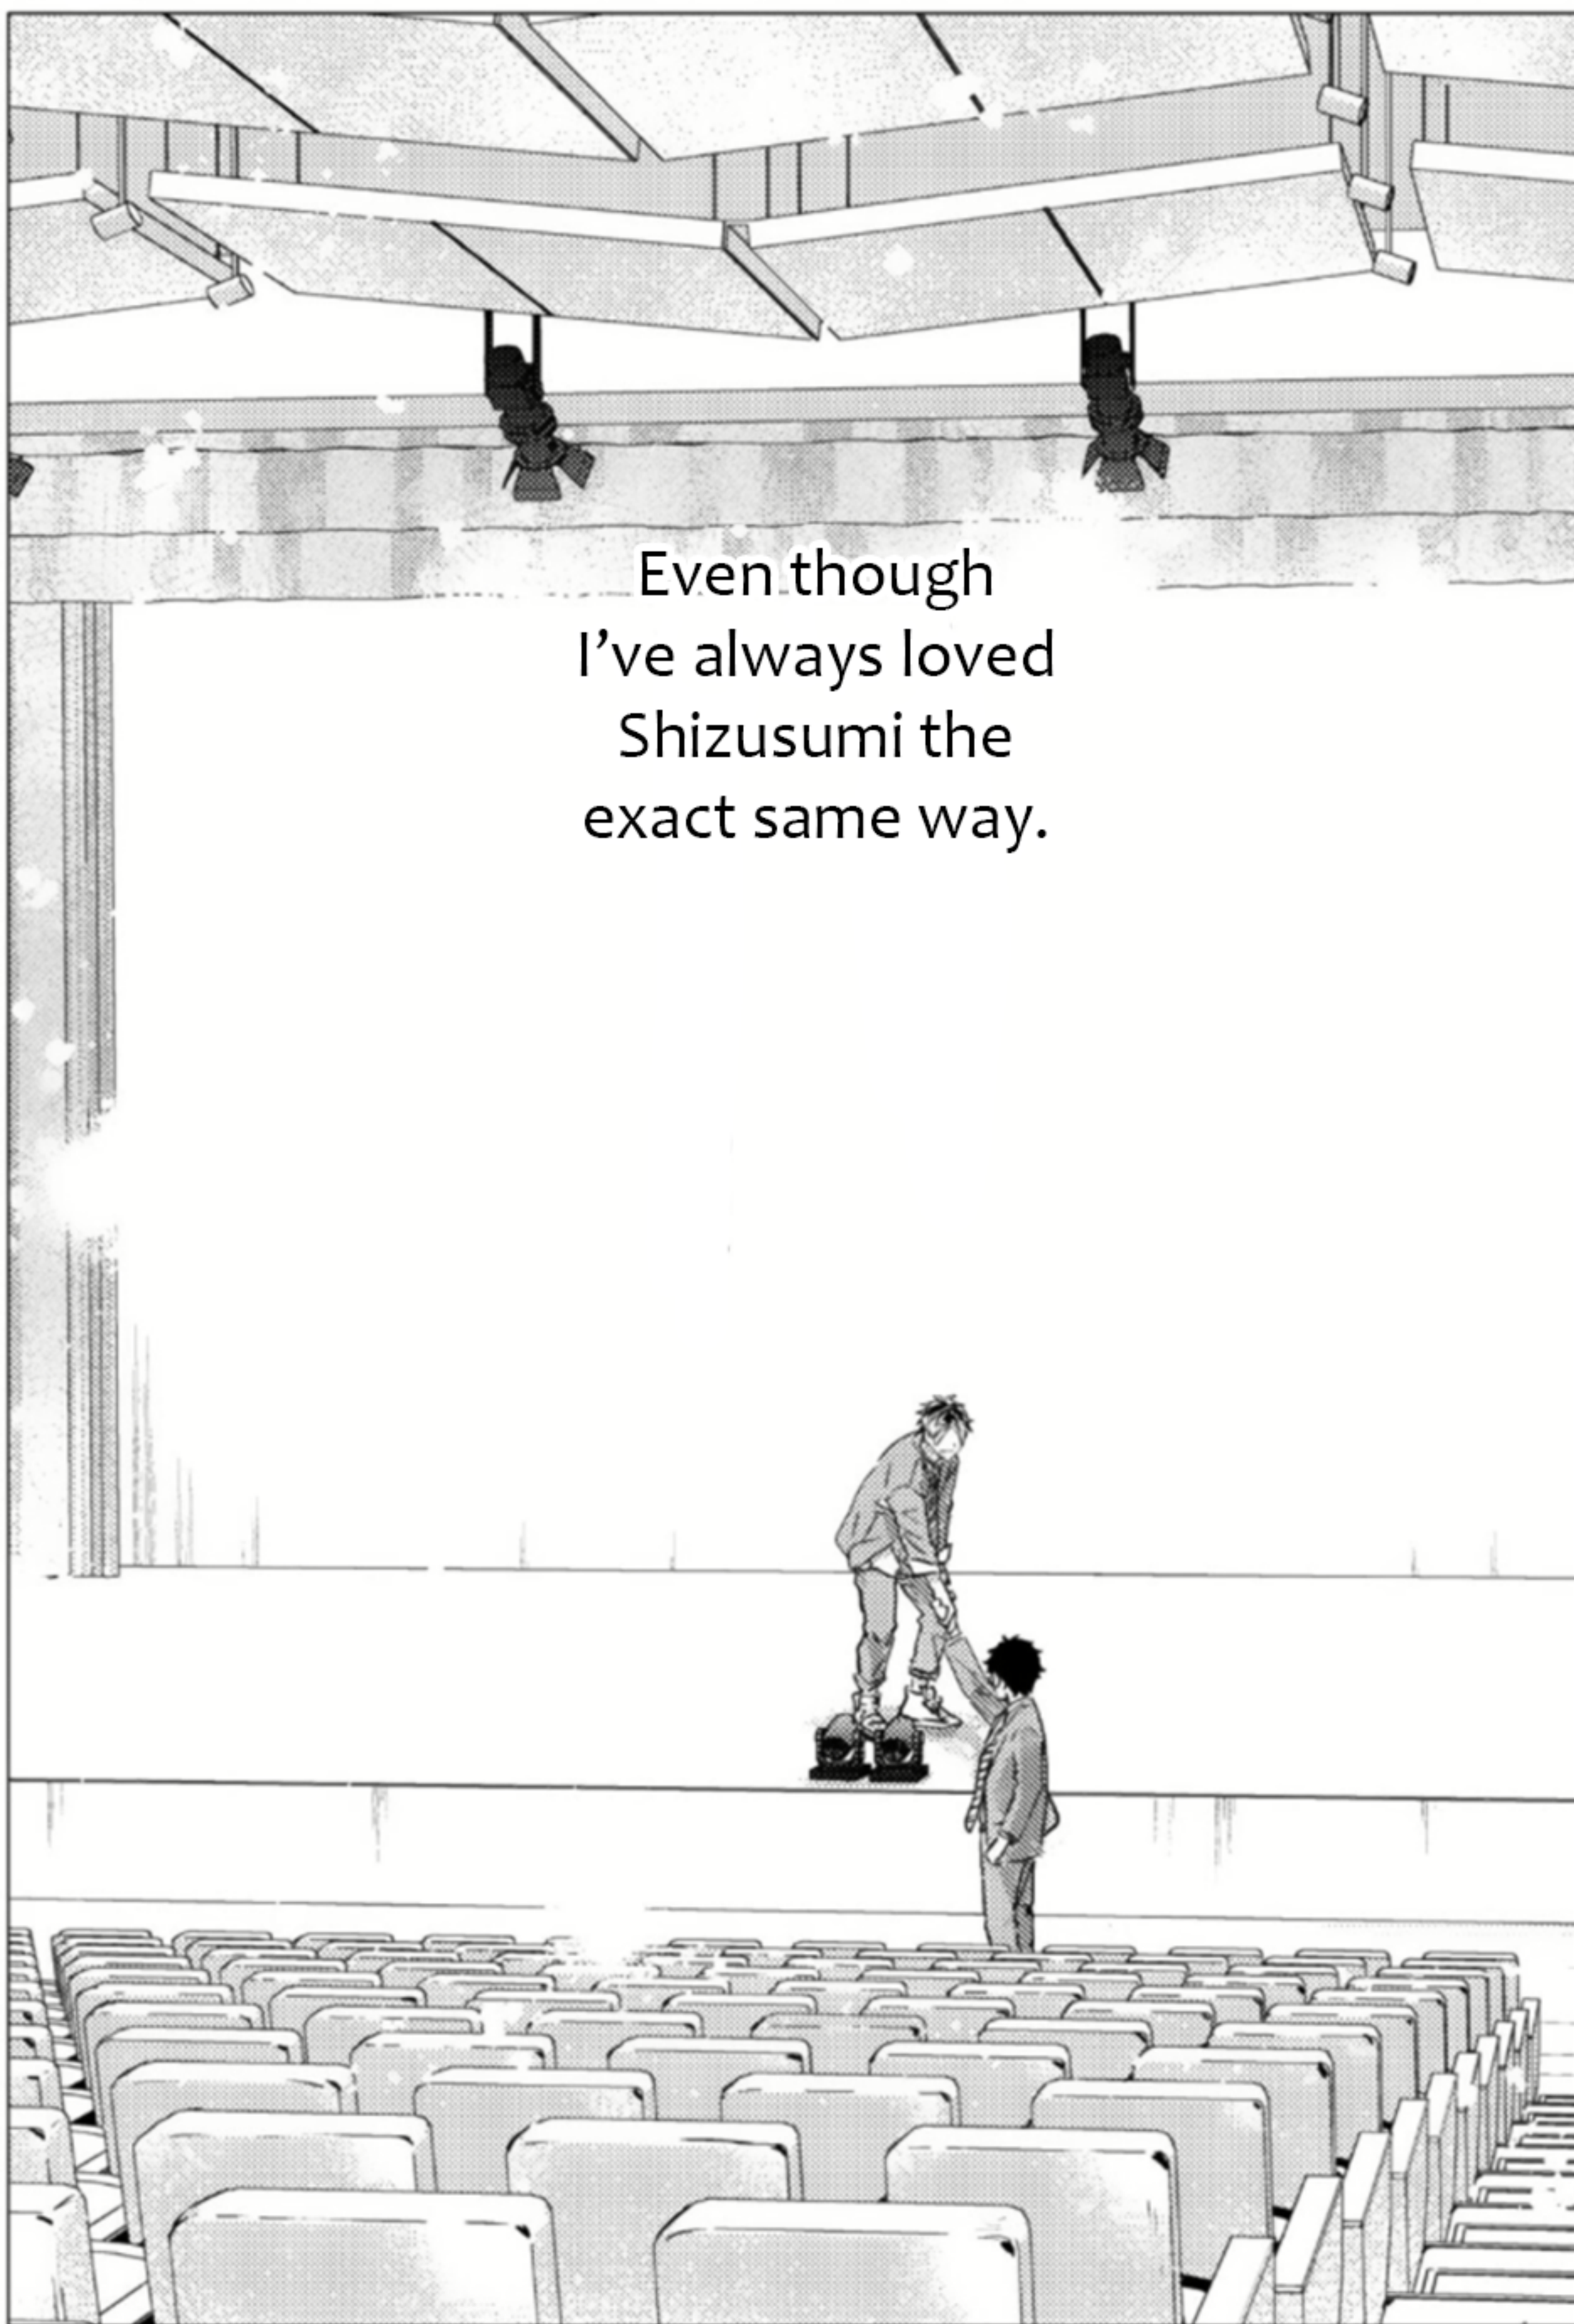

It's ordinary
yet special...

Why did I
never realize...

Even though
I've always loved
Shizusumi the
exact same way.
